Objective and Investment Policy

The investment objective of the Fund is to reflect the performance, whether positive or negative, of the FTSE MTS Target Maturity Government Bond Italy (Mid Price) Index (the "Index") denominated in EUR, which is representative of Italian sovereign bonds having a target residual maturity of 10 years while minimizing the volatility of the difference between the return of the Fund and the return of the Benchmark Index (the "Tracking Error").

Risk Indicator (Source : Fund Admin)

Lower Risk

Higher Risk

The risk indicator assumes you keep the product for 3 years.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

* Source : Amundi. The above cover complete periods of 12 months for each calendar year. **Past performance is no predictor of current and future results and does not guarantee future yield**. Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.

Risk indicators (Source: Fund Admin)

	1 year	3 years	Inception to date *
Portfolio volatility	7.48%	10.62%	8.45%
Benchmark volatility	7.47%	10.63%	8.46%

Important information

This document is provided for information purposes only and does not constitute a recommendation, a solicitation, an offer, advice or an invitation to purchase or sell any units or shares of the fund (FCP), collective employee fund (FCPE), SICAV, SICAV sub-fund or SICAV investing primarily in real estate (SPPICAV) (collectively, "the Funds") described herein and should in no case be interpreted as such. This document is not a contract or commitment of any form. Information contained in this document may be altered without notice. The management company accepts no liability whatsoever, whether direct or indirect, that may arise from the use of information contained in this document. The management company can in no way be held responsible for any decision or investment made on the basis of information contained in this document. The information contained in this document is disclosed to you on a confidential basis and shall not be copied, reproduced, modified, translated or distributed without the prior written approval of the management company, to any third person or entity in any country or jurisdiction which would subject the management company or any of the funds, to any registration requirements within these jurisdictions or where it might be considered as unlawful. Not all of the funds are systematically registered in all jurisdictions of all investors. Investment involves risk. The past performances shown in this document, and simulations based on these, do not guarantee future results, nor are they reliable indicators of future performance. The value of an investment in units or shares of the funds may fluctuate according to market conditions and cause the value of an investment to go up or down. As a result, fund investors may lose all or part of the capital originally invested. All potential investors in the funds are advised to ascertain whether such an investment is compatible with the laws to which they are subject and the tax implications of such an investment prior to investing, and to familiarise themselves with the legal documents in force for each fund. Concerning mandates, this document is a part of the periodic statement of the management activities of your portfolio and must be read in conjunction with any other periodic statement or notice of confirmation provided by your custodian and related to the transactions of your portfolio.
